AT A GLANCE

Boasting a remarkable workforce of over 11,500+ skilled professionals and operating across 17 diverse business lines, the Avia Solutions Group generates an impressive annual revenue surpassing the \$2 billion mark. Moreover, Avia Solutions Group is the world's largest ACMI provider, with a fleet of 192 aircraft.

With an illustrious three-decade history, JETMS Completions stands as a preeminent force within the industry, specializing in crafting exquisite aircraft interiors for both commercial and VVIP aircraft. As an integral member of the esteemed Avia Solutions Group, alongside other esteemed JETMS brand companies, we proudly contribute to a dominant leadership position in the aviation industry.

At JETMS Completions, we leverage cutting-edge technologies and possess state-of-the-art manufacturing capabilities. Our unwavering commitment to excellence is further strengthened through our strategic alliance with JetMS Interiors in Kaunas, Lithuania.

Recognized as an EASA Part 145, CAA Part 21J, CAA Part 21G, and 145 approved organization, JETMS Completions continues to solidify its standing as a revered manufacturer of commercial aviation interiors. Notably, our leadership position in refurbishment services in the UK remains unparalleled.
